Nevada women make an average 81 cents for every dollar a man makes, and this gap is even larger for women of color. During #HollerWeek, we're celebrating the work of our female colleagues, and this gap is even larger for women of color. #HollerWeek

My bill would offer tax credits to tech startups in research & development so that our small businesses can hire more women. Women on average still earn only 80 cents for every dollar earned by men. The pay gap is worse for women of color.... <https://t.co/E8tPg9nHmp>
